**GLOBAL  
MARITIME  
FORUM**

8 September 2017 marks the launch of the Global Maritime Forum (GMF) - a global platform for high-level leaders from the entire maritime spectrum that aims to effect positive long-term change for the industry and for society.

MISC is one of the global group of 14 industry leaders who are the Strategic Partners to the Forum, which also include A.P. MøllerMaersk, Euronav, GasLog and PSA International.

Previously known as the Danish Maritime Forum, which over three years became recognised as the "Davos of the maritime industry", the GMF is an international not-for-profit organisation committed to unleashing the potential of the global maritime industry to increase sustainable long-term economic development and human wellbeing.
