

## MEDIA RELEASE

Kuala Lumpur, 28 November 2019, Thursday

### MISC BAGS TRIPLE SUSTAINABLE BUSINESS AWARDS

MISC Berhad's (MISC) consistent efforts in driving sustainability in the maritime industry was recently recognised at the Sustainable Business Awards 2019 which was held on 26 November 2019 in Kuala Lumpur. MISC ranked ahead of 33 companies as the Best in the categories of *Business Responsibility and Ethics* as well as *United Nations Sustainable Development Goals (UN SDGs)*, with a Special Recognition in *Strategy and Sustainability Management*.

The Sustainable Business Awards series across South East Asia recognises companies for their outstanding performance on environmental and social sustainability, highlighting their successes and providing others with examples of best practices that can be emulated and replicated. The awards series was organised by Global Initiatives, an organisation with programmes conducted across 30 countries seeking to advance partnerships in driving change for a better future. The National Advisory Panel is made up of senior representatives from various businesses, academia, NGOs, regulatory and media, to question and provide qualitative perspectives on the entries and scoring results.

Mr. Yee Yang Chien, President/Group CEO of MISC Berhad said *"We are grateful that our efforts in promoting business responsibilities and ethics have been recognised. I would like to take this opportunity to thank the MISC Board for being part of the driving force in our unwavering commitment to uphold the highest standards of governance and best practices."*

Mr. Yee added *"We are also honoured that our efforts in promoting sustainability have been also recognised in two ways, the special recognition for strategy and sustainability management, coupled with being recognised as being the best in the UN SDGs. I humbly say that we have much to do and we feel that we are only getting started. To be recognised will only spur us to do even more. And as one of the largest shipping groups in the world, we believe our scale and influence offers us a voice from Malaysia to drive sustainability on a global scale for the international maritime industry."*
