

MEDIA RELEASE

14 December 2022, Wednesday

TWO AWARDS AT THE EDGE MALAYSIA ESG AWARDS 2022 FOR MISC GROUP

MISC and Malaysia Marine and Heavy Engineering Holdings Berhad (MHB), were recognised as the recipients of Silver Awards in the Transport & Logistics and Energy categories respectively at The Edge Malaysia ESG Awards 2022 on 28 November 2022.

These awards are a testament to the Group's deep and unwavering passion towards cultivating environmental, social and governance (ESG) principles that drive long-term value for stakeholders while creating a positive impact that contributes towards a sustainable future.

Captain Rajalingam Subramaniam, MISC's President & Group Chief Executive Officer, said: *"I am proud of the achievements by MISC and MHB which showcase our firm commitment towards ESG. Congratulations and thank you to the board of MISC for the stewardship, my peers in the management for driving sustainability by way of leadership and to my colleagues at sea and ashore across the globe for passionately embracing our ESG commitments. These awards are a recognition of our collective efforts to deliver greater value to our global stakeholders. My sincere appreciation to The Edge, Bursa Malaysia and FTSE Russell for acknowledging our accomplishments in best ESG practices."*

Pandai Othman, MHB's Managing Director & Chief Executive Officer, said: *"Being a trusted heavy engineering and marine solutions provider, MHB is honoured to be presented with this award which is a recognition of our commitment towards all aspects of ESG. I am pleased that MHB continues to be aligned with MISC in the journey of building our credentials as a sustainability-centered organisation. We are committed to continue implementing ESG initiatives in delivering long-term values to our stakeholders and remain purposeful in setting forth a sustainability agenda that will grow in tandem with our business aspirations."*

(From left to right) *Mr. Antonnio Hong, General Manager of Corporate Planning & Risk Management, MHB, En. Pandai Othman, Managing Director & CEO, MHB, Evelyn Chee, Head Corporate Sustainability, MISC and Captain Raja Sager Muniandy, Vice President of Group HSSE, MISC.*

The Edge Malaysia ESG Awards 2022 was organised for the first time with the aim of evaluating and recognising top-performing public-listed companies for their positive contribution and implementation of best ESG practices.

- END -

About MISC Group

MISC Berhad (MISC or the Group) is a global leader in delivering energy-related maritime solutions & services with more than 50 years of experience in the maritime industry. Our principal businesses comprise energy shipping and its related activities, owning and operating offshore floating solutions, marine repair and conversion, integrated marine services, port management and maritime services as well as maritime education and training.

The Group's modern and diverse fleet consists of more than 100 owned and in-chartered vessels comprising of Liquefied Natural Gas (LNG) and Ethane carriers, Petroleum and Product vessels, Floating Production Systems (FPS) as well as LNG Floating Storage Units (FSU) with a combined deadweight tonnage (dwt) capacity of more than 13 million tonnes.

We are a proud constituent of the DJSI Emerging Markets Index and FTSE4Good Bursa Malaysia Index, a testament to our sustainability performance and strong Environmental, Social and Governance (ESG) practices. MISC Berhad is listed on the Main Board of Bursa Malaysia.
